Dear Business Partner

RE: BUSINESS CONTINUITY PLAN- COVID-19

COVID-19 has disrupted businesses worldwide and the Government has given further directives to follow regarding movements of people as per the Presidential Address on Sunday 22nd March 2020. In this regard, our offices will be closed tomorrow, Tuesday 24th to allow our staff work remotely and still provide service to you. Our offices will re-open on Wednesday 25th as we monitor the situation as per the issued guidelines.

In order to reduce the effect of potential infections in line with the recommended social distancing measures, we encourage virtual communication through alternative platforms in the meantime. Should there be need for face to face meetings, we will follow the prescribed Health and Safety Guidelines.

Our Business Continuity Plan is already activated, and we will fully Implement the same if it is deemed unsafe to operate within our normal office environment.

Thanks for your continued business Patronage.

Yours sincerely,

Maurice Amogola
