HEALTHCARE

The healthcare industry is heavily influenced by global trends such as digital transformation, patient centricity, financial sustainability and regulatory compliance. As a result, the healthcare industry is facing unique and rapidly evolving challenges, including skyrocketing costs of care, rising medical negligence claim values, rising costs of medical indemnity, data security issues as well as abuse, patient safety and care quality issues to name a few.

WHO WE ARE

COMMITTED TO HEALTHCARE

Our Healthcare division provides risk advisory and broking services to Healthcare clients worldwide to mitigate rising healthcare costs and improve health and wellbeing. Their engagement spans the full spectrum of sectors of the healthcare industry, from healthcare services and facilities to employee benefits and wellbeing. This expertise, combined with Minet's vast knowledge of the African continent, allows us to provide clients with tailor-made packages that best suit their needs.
