PERSONAL LINES

Life's uncertainty leaves us vulnerable to many types of risks. Mishaps and setbacks are a natural and inevitable part of life. Injuries, property damage, and financial ruin can be unfortunate parts of our lives. Few things are as valuable as fine art, jewellery and specie (such as bullion or bank notes) and there are only limited markets for insuring such risks. From childhood, to our teenage years, and on through adulthood into retirement, we need to think ahead and make plans at every stage of our lives and acknowledge that protection requirements will also evolve as they move through life.
